About The Place

Lansdowne is one of the quietest and unspoiled hill stations of India and has been a popular destination since Britishers came to India. Encircled by the dense oak and blue pine forests, Lansdowne appears like an old painting. Located far away from the maddening crowd of the cities, Lansdowne is an ideal retreat for the holiday makers.

Lansdowne is unlike other hill stations, as it is well connected with motorable roads but remote in its own way. It is situated at an altitude of 1780 mts above sea level surrounded with thick oak and blue pine forests in the Pauri Garhwal district of Uttarakhand state.
